Equinix Customer Portal 2022.4

To improve customer self-service and ordering on the Customer Portal and ease of doing business with Equinix, we have added new features and enhancements.

Save QR Code for IBX Access to Google Pay

For users with permanent access to Equinix IBXs, save your QR code in Google Pay after setting up your security profile. If you've already setup your security profile, navigate to My Profile > IBX Security for instructions on how to download.
