Equinix Precision Time 2021.5

Equinix Precision Time 2021.5 includes the integration of the Equinix Precision Time portal into the Equinix Customer Portal (ECP) to enhance the overall Equinix user experience. Also, Precision Time subscriptions are now available in Australia and several locations in Canada.

Portal Experience

Easy navigation between the ECP and the Equinix Precision Time portal provides a unified and seamless digital experience. Now users can log into the Precision Time portal and switch efficiently to other portals such as the Equinix Fabric portal. Additional portals for other products will be added soon.

Precision Time in Australia and Canada

With this release, Equinix Precision Time services are available in Australia. In addition, Precision time is now available in Canada, in Montreal, Calgary, and Winnipeg locations.
